

Sunday School Classes

Classrooms 102-110 are located down in/near Adult Central, a large section of our building near the old EAST entrance, across from the Music Drama Room.

The Multi-Purpose Room (MPR) entrances are located upstairs, down the south hallway from the Café Counter, next to the kitchen.

The Library is located just down the WEST staircase from the Café gathering area, next to the Middle School meeting room and the Student Lounge.
