PICTURE SUMMARY OF 1 THESSALONIANS

May Change for Change Missions Giving at GCC

Emilee Irwin, our missionary in Paris, is organizing an art exhibition which will take place during the Olympic games this summer. This effort is also an opportunity to work alongside other arts leaders in the city which could result in future collaborations.

The event is one of several under the umbrella of 'Ensemble 2024', a multi-faceted project organized by the French National Council for Evangelicals as well as churches and ministries across France. Emilee and her team hope to use this exhibition as a conduit to share the gospel with visitors and artists alike. This effort could also lead to new GEM missionaries joining local ministries in Paris in the future.

Funds raised will be used for:

- Transportation costs
- Meals for the artists and volunteers
- Print materials for gallery visitors
- Snacks and drinks for the gallery opening of the exhibition
- Shipping costs to get the artists' works to Paris ahead of the exhibition

The estimated cost is \$5000. If you'd like to give, drop your donation in one of the offering boxes in the building, or [give online](#).

April's C4C funds will empower our Brazilian missionaries with a solar power supply. Total giving as of 4/28/24- \$3,873
