

Consider Jesus
Faith in Action, Hebrews 11:7-39
Dair Hileman, Senior Pastor

The fruit of faith is obedience. (7-8)

Faith believes even without evidence.

Faith obeys because of confidence in the one who commands.

What is God asking of you?

The perspective of faith is eternal. (9-10, 13-16, 24-27)

Faith is motivated by promises for the future.

Eternal perspective affects earthy priorities and choices.

Right Now - Romans 8:1, 9, 14-17

Not Yet - Romans 8:18-23; 2 Peter 3:12-13

The conviction of faith endures (32-39)

Faithful people are not perfect.

Faithful people may suffer.

Faithful people have a future.
