

Consider Jesus
Running the Race Hebrews 12:1-2
Jason Krute, Minister to Students

The example of faith has been set.

You are not the first to struggle.

You are no the first to suffer.

You are not the first to doubt.

Our goal is to live our faith.

Our faith is active.

Our faith is not meant to be stagnant.

You will have obstacles.

Confess your sins.

Remove things that hinder, even if they are not sin.

Jesus is our guide.
