

HISTORY: Exodus - The Birth of a Nation
Dair Hileman, Senior Pastor

The birth of a Nation: a people, a homeland, and a government. While traveling to their homeland, the people stop to receive the law.

The purpose of the nation (Exodus 19:1-6) - to reveal God to the world through their worship and lifestyle.

The meeting with God - Ex. 19:10-12, 16-20; Deut. 4-5; Heb. 12:18-21

The purpose of the Law:

1. To reveal God's character (Exodus 20:1-11)
2. To teach the behavior expected of the Nation (20:12-17)
3. To reveal and convict of sin (Romans 3:19-20)
4. To lead people to Christ (Galatians 3:24)
