

Consider Jesus
Sex is for Marriage Hebrews 13:4
Dair Hileman, Senior Pastor

Give honor to marriage

1. It is God's plan for most people.
2. It benefits individuals and society.
3. It is better than cohabitation.

Let the marriage bed be kept pure.

God invented sex but gave boundaries.

1. Commit to purity.
2. Avoid temptation (1 Corinthians 6:18; 1 Thessalonians 4:1-8)
3. Strengthen your marriage (Proverbs 5:15-20)

There is a high cost for sex outside of marriage.

There is forgiveness and a new beginning in Christ.
