

**DIVE INTO TRUTH**  
**Confirmed Calling**  
**Galatians 2:1-10**  
**Jason Krute, Senior Pastor**

**Note:** Debate revolves around which of Paul's trips is referenced in Galatians 2:1 (Acts 11 or Acts 15). I would encourage you to read those accounts, but since that does not affect the message Paul is conveying, we will not spend time on this topic/ debate.

**Problem:** Jewish believers expect Gentile believers to be circumcised (Galatians 2:1-3; 5:3-4; 6:12-13)

Why care about circumcision?

Outward mark of membership in God's people  
(Genesis 15, Leviticus 12, Joshua 5)

Simply put: Struggle over loss of identity

**At Risk:** The truth of the Gospel.

**If not solved:**

**Consequence #1:** A changed Gospel leads to death

**Consequence #2:** Lack of unity damages the truth.
