

Just A Butterfly
Dair Hileman, Senior Pastor

Matthew 27:50-53 What happened to the living dead?

Our actions may lead to other actions.

Our actions may affect others for generations.

The butterfly effect is a term used to describe how small changes to a seemingly unrelated thing can affect large, complex systems.

Luke 19:41-44 The rejection of Christ by Israel led to the destruction of Jerusalem in AD 70.

Our actions may have both positive and negative effects.
