

HIStory:
JONAH: THE RUNNING MAN
Dair Hileman, Senior Pastor

Background

Chapter 1 - Running from the will of God.

We run because of:

1. Fear
2. Prejudice
3. Indifference

When you run from God, you never get where you are going and you always pay the fare.

When you walk with God you always get where you are going and He pays the fare.

Chapter 2 - A cry for help.

We are never too far for God to reach us.

Chapter 3 - The God of the second chance.

God's grace is extended to individuals and to nations.

Chapter 4 - A heart check.

-Jonah's heart: mad at God and the people.

-God's heart: concerned for people.

-My heart:

1. Even a servant of God can have heart problems.
2. Service without love is empty.
3. Is my attitude toward the lost more like Jonah or like God?
4. Never underestimate the grace of God!
