Scripture Reference: Judges 8:10-12, 18-21

Summary of Gideon's goal:

To refocus God's peoples' worship and devotion back to God (6:1, 6, 10) by striking down Midian (6:16), making sure God gets the credit and the glory (7:2, 14, 15).

How Gideon is remembered:

To the future followers of God (whom we now call Christians), Gideon is an example and testimony of what God can do through a faith filled person (Hebrews 11:32) and God's powerful deliverance (Psalm 83).

Reminder of our goal as Christians today:

Proclaim Christ to those who do not know (Romans 10:5-17) and refocus God's people onto God's calling for our lives and the life of the church (Romans 12).
