Apostles Teaching

The teaching of the Lord through the apostles (Mark 3:13-19), whose teaching is now recorded as the New Testament.

Thing to remember about the Bible:

1. The Bible is our ultimate authority.  
Luke 24:25-27; Isaiah 66:1-2

Tremble - an eager and yet fearful haste to execute God's will.

2. The Bible can be understood.

Matthew 12:3, 5; 19:14; 21:13, 42; 22:29,31; Ephesians 5:15-21;  
James 1:27

3. The Bible is a needed aspect of Godly living.

1 Peter 1:22-2:3; Acts 5:20; 15:35; 18:11

4. The Bible's message will be polluted and ignored.

2 Timothy 4:3-4; 2 Peter 2:1-3
