

Finish The Job
Principles of Giving 1 Corinthians 16:1-4
Dair Hileman, Senior Pastor

1. Giving should be planned. "on the first day"
 - planned

 - regular

2. Giving should be personal. "each one of you"
 - includes everyone

 - between you and God

3. Giving should be proportionate. "as he may prosper"
 - Based on what we have now not sometime in the future

 - tithe (10%) may be a guide

 - God wants 100%

Be generous, be sacrificial, be cheerful

4. Giving should be purposeful. "when I come"
 - honor God

 - meet needs
