

Disciple-Making

JASON KRUTE, SENIOR PASTOR

SUNDAY, AUGUST 18 2019

Core Values: We value a disciple-making ministry that reaches people at their level of spiritual growth, moving them towards maturity in Christ.

Scriptures: Romans 6; Galatians 2:20; 1 Thessalonians 5:23-24; 2 Thessalonians 2:13-17; 2 Timothy 1:3-14; Titus 3:3-8; Hebrews 10:14; 1 John 3:1-10

Justification (reminder from Galatians)

Both the declaration of freedom from legal punishment and the entitlement to all privileges of one who has kept the law.

Justification (simplified definition)

God declaring you innocent and righteous

Sanctification

A progressive work, involving God and man, that separates us from sin while perfecting our whole being.

Sanctification (simplified definition)

The continual replacing of sin patterns with Christ patterns.

Self Assessment

1. What do I need to do to take another step in my spiritual growth?

2. Who do I need to help me take that step?

3. Who can I encourage, in this church, to take another step?
