

## THE GOOD LIFE

### Paul's Journey 1 Thessalonians

Jason Krute, Pastor-Elect

Why does Paul care for the Thessalonians?

1. He saw many of them come to Christ.
2. He witnessed life change.
3. He worries about their persecution.
4. He cares about Biblical teaching.

Why should we care about others?

1. We want to see them come to know Christ.
2. We want to see lives changed by the Gospel.
3. We worry about their safety.
4. We desire Biblical teaching not, cultural teaching.
