

In God We Trust
"One Nation Under God" - Mark 12:13-17; Romans 13:1-7
Dair Hileman, Senior Pastor

Mark 12:13-17 A Christian is a citizen of two realms with a duty to both.

Romans 13:1-2 We are to submit to human government because it is established by God.

The purposes of government are to:

1. Reward righteousness and punish evil. (Romans 13:3-5)

2. Maintain order and peace. (1 Timothy 2:1-2)

The problem with government is the flawed people who run it.

- * We are blessed to have government of the people, by the people, and for the people.

- * We are protected by the rule of law and by checks and balances.

- *We must seek to be good citizens of both.
