For the next few week we are following Paul's second missionary journey in Acts 15:36-Acts 18:22.

Paul's Goal: Encourage and teach their previous church plants. (15:36)

Team: Planned for Barnabas (15:36)

Went with Silas (15:40)

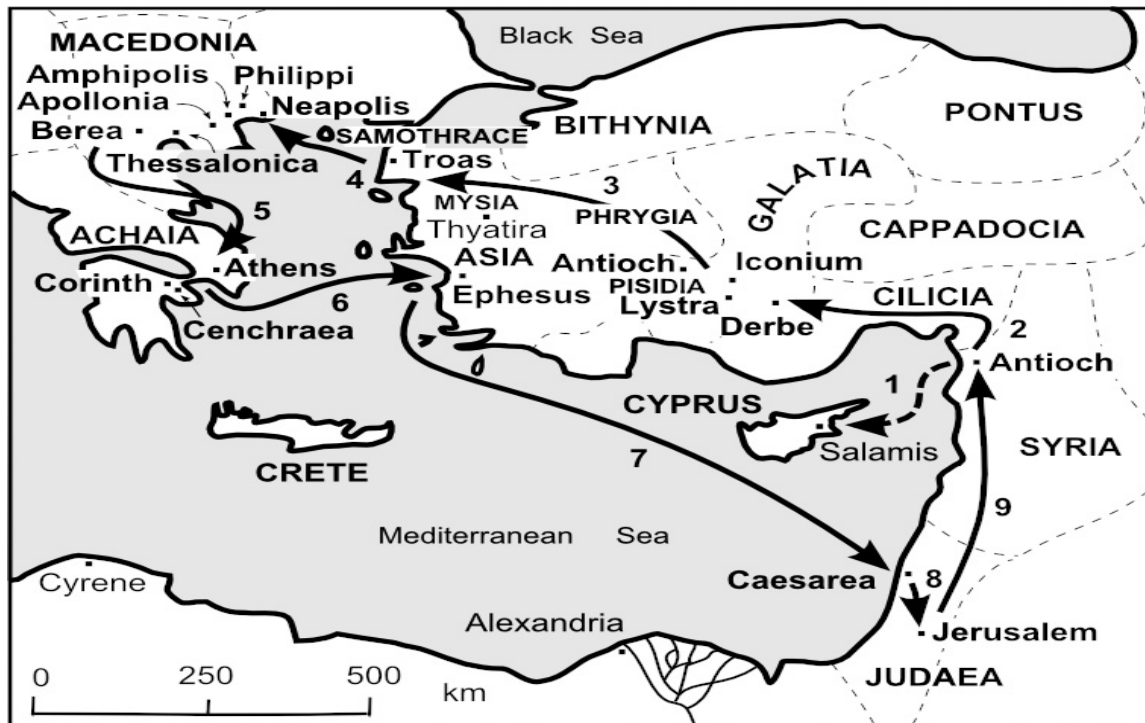

Added Timothy (16:3)

Modified Goal: Expand the church into an unreached region. (16:10)

Results: The church crossed into Europe. (16:11)

New believers are supporting and participating in the work of the church. (16:15)

Note: #1 is the starting point of Paul's 1st missionary journey and the way Barnabas & John Mark took after the disagreement in Acts 15:39.
