

**In God We Trust
Colorblind
Dair Hileman, Senior Pastor**

What we know:

1. We are created by the same God and descended from the same ancestor.
(Acts 17:26)

2. In Christ people with differences are united.
(Galatians 3:26-28)

3. We will spend eternity with every ethnic group.
(Revelation 5:9-10)

4. Discrimination is forbidden. (James 2:1-9)

A Great Example: John 4:9

What Does This Mean Today:

1. The church is a demonstration of the power of the Gospel to reconcile us to God and one another.
 - a. We need to listen.

 - b. We need bridges.

2. The church is an advocate for justice and the protection of rights for all.
