

**LIVE OUT LOVE**  
**Jesus as Bread of Life**  
**John 6:26-40**

Question: If the bread was meant to point us to something greater, what is it meant to point us toward?

Answer: To point is toward the truth that Jesus is life, given by the Father.

**I.** Spiritual food is more important than earthly food (6:26-27)

“Whenever men and women are in difficulty, and whenever they are hungry, they tend to act as if their bodies are more important than their souls.”

Luke 16:19-31

**II.** Spiritual food is given by Christ, not earned by us (6:27-34)

Repeated contrast: “Work” & “Give”

Don’t work for the wrong food (6:27a)

*Work* for the right food, which is *given* to you by Jesus (6:27b)

2 Peter 1:5-11

**III.** Spiritual food is more satisfying than earthly food (6:34-35)

Ecclesiastes 2:9-11

1 John 2:16-17

**IV.** Spiritual food is easier to miss and less desired than earthly food (6:26-40)

1 Corinthians 2:14

God’s will: Look on the Son, believe in the Son, and He will raise you up (6:40)
