

# A Thrill of Hope

Scripture Reference: Luke 1:5-25

God is a promise keeper who has never failed.

Society does not determine your worth.

Your prayers are heard by the Lord.

His timing is different than ours.

God determines when we need to know his plans.

Even when we do not know God's plan, hope is alive.

But Satan prefers doubt.

**Result of hope in this story:** Zachariah will praise God (Luke 1:57-80) and John will prepare the way of the Lord (Luke 3:1-22).

**Reminder:** *The Lord is not slow to fulfill his promise as some count slowness, but is patient toward you, not wishing that any should perish, but that all should reach repentance. (2 Peter 3:9 ESV)*
