

GCC Facility Use Policy

The church's facilities were provided through God's benevolence and by the sacrificial generosity of church members. The church desires that its facilities be used for the benefit of this church ministry and always to God's glory. Our facilities are sometimes made available to non-members or groups according to the agreement below.

I affirm that:

1. To the best of my knowledge the purpose for which I am requesting use of the church facilities will not contradict the church's Statement of Faith or the Doctrinal Guidelines for Leaders and Teachers, and I commit to promptly disclose any potential conflict to the church staff.
2. I understand that GCC does not allow its facilities to be generally available to the public, and that my use of these facilities is subject to the ministry staff approval, which is conditioned in part on my agreement to the requirements in the GCC Facility Use Policy, which I have read, understand and agree to.
3. I have read and understand the requirements and fees in the Facilities Request Form. I also understand that all fees are to be paid to GCC fourteen days prior to my event.
4. I understand that I will be responsible for any damages to the church facilities resulting from this proposed use of facilities.
5. The church believes disputes are to be worked out between parties without recourse to the courts. See, generally, Matthew chapter 18 and 1 Corinthians chapter 6. Accordingly, users of the facility agree to arbitration/mediation of any dispute before a panel of three outside pastors selected by the church. By entering into this Agreement, the parties each expressly waive the right to trial by jury and waive the right to have this matter tried in a court of law, except as may be necessary to enforce such arbitration/mediation decision.
