

Dear God...

Scripture Reference: Judges 6:7-10

Other Passages: Deuteronomy 8, Psalm 16

Something we constantly need to remind ourselves:

We do not determine God's timing.

Questions to reflect on:

In what specific areas of life have I ignored God?

On what blessings should I reflect, knowing God has provided?

What are my current prayers? Will I accept God's answer, even if it isn't what I asked for or expected?
