

Dear God...

Jason Krute, Senior Pastor

Scripture Reference: Judges 6:33-40

Verses 33-35: Calling of an army.

- Invasion came as expected. (33)
- God gave Gideon what he needed. (34)
- People answered Gideon's call. (35)

Verses 37-40: Gideon has doubts.

- Gideon asks God for a second sign of confirmation. (36-38)
- Gideon risks rebuke and asks for a third sign. (38-40)

What should we take away?

1. Testing God is not normal. (Deuteronomy 6:16, Matthew 4:7)
2. Doubts are real things. (You are not called to be a superhuman Christian.)
3. God can show unlimited mercy.
4. Faith requires taking a step, even when the outcome is unknown.

Communion: Next Sunday, May 3, we will celebrate communion as a church family. Although it will look different than in person, we ask that you prepare elements for your house and be ready to partake. For more information, please refer to gcchapel.org/communion.
