Scripture Reference: Judges 7:1-8

What we know from the story:

1. An army of 32,000 men answered Gideon's call to arms.
2. The opposing army consisted of at least 135,000 men.
3. God wanted Israel to know where the credit goes.
4. Gideon's army was reduced to the God glorifying size of 300 men.

What we want to know from the story:

1. What if I don't like God's plan?
2. How much should (or does) fear drive me?
3. How is my self-sufficiency weakening my reliance on God?
